Plant a Butterfly Garden

The transformation of caterpillars to butterflies reminds us of our own transformation in Christ that we read about in 2 Corinthians 5:17. Plant a butterfly garden in a sunny location (5-6 hours a day), but sheltered from the wind. It is also a good idea to place a few flat stones in your garden so the butterflies can take a break while warming up. Maybe you can make a garden stone with this month's memory verse as a reminder of our transformation.

Meal:

Remember Your Baptism

Ask your parents to share the story of your baptism if you were baptized as a baby or a young child. Ask them to share other family baptism stories if they have them. If you or your parents have not been baptized, ask to talk to Pastor Kyle or Ms. Cheri about what that means and how you could write your own baptism story.

Roadway:

Sidewalk Chalk Block Walk

Time to get outside & get CREATIVE!! Get some friends and neighbors together to decorate your sidewalks or driveways with messages of God's love or pictures of stories from the Bible such as Jesus' life, ministry, death, and resurrection.

A Story Sheet

Ask your parents if they have an old sheet that you can use. Roll up in the sheet and crawl on the floor like a caterpillar. Then make the sheet into your chrysalis by wrapping your whole body into it. Finally burst out and make the sheet your butterfly wings and say this month's monthly memory verse aloud.

Stump the Grown-Up!

Ask an adult to help you answer this question:
As Christ's messengers or ambassadors, what message are we called to convey or share? (hint: read 2 Corinthians 5:20)

Scripture Starters:

- Apr. 5th: HE IS RISEN! He is risen indeed!
John 20: 1-18
- Apr. 12th: Finding Your Own Story-
Remember Your Baptism
Acts 10: 39-43; Romans 6: 1-14
- Apr. 19th: Sharing Our Story
2 Corinthians 5:20
- Apr. 26th: Becoming a Missionary
Ezekiel 34: 1-6; Matthew 9: 18-38

MEMORY VERSE:

“WHEN ANYONE LIVES IN CHRIST,
THE NEW CREATION HAS COME.
THE OLD IS GONE! THE NEW IS HERE!”

2 CORINTHIANS 5:17
